AGED KERENS MAN DIED HERE; BODY TAKEN TO HIS HOME

W. S. PETERS SURVIVED BY HIS WIFE AND NINE GROWN CHILDREN

W. S. Peters, aged 76 years, 10 months and 18 days, died Wednesday afternoon at the Navarro county hospital and the remains were taken to his home three and one-half miles northeast of Kerens. Interment will be made in the Oak Grove cemetery some time Thursday.

The deceased is survived by his wife, Mrs. Martha Peters, and the following children: G. W. Peters, Kerens; Mrs. Tom Brewster, Kerens; Jim Peters, Kerens; Tom Peters, Kerens; Herbert Peters, Kerens; Mrs. Sallie Locklar, Corsicana; Miss Ruby Peters, Kerens; Sam Peters, Kerens; Tim Peters, Kerens.

LEADING HOUSTON PHYSICIAN PASSED AWAY THURSDAY

By Associated Press.
Houston, Texas, Jan. 21.—Doctor Allen Houd, aged forty-four, a prominent Houston physician, died at his home here today.

He was a graduate of the medical department of the University of Texas. Following his graduation he was assistant professor of medicine until 1919.

SUPPORTERS WORLD COURT AGREE PLAN OPPOSITION FORCES

ACTION EXPECTED ON TAX MEASURE BEFORE COURT BILL COMES UP

By Associated Press.
Washington, Jan. 21.—Failing to obtain agreement for definite dates to vote on either the tax refunding bill or the World Court, proponents of the court served notice today that they would hold it continuously before the senate until a roll call was secured.

By Associated Press.
Washington, Jan. 21.—Supporters of the World Court today agreed to the proposal of the opposition to permit action on the tax reduction bill before action on the court if the court opponents would agree to a definite date for final action on the tax bill.

Senator Curtis, Republican leader, said he believed an agreement would be reached before the end of the day.

FRISCO DIRECTORS NEGOTIATING FOR CONTROL KATY ROAD

By Associated Press.
New York, Jan. 21.—The executive committee of the Saint Louis and San Francisco railroad is negotiating for control of the Missouri, Kansas and Texas railroad, it was reported in Wall Street today.

ROCKY MOUNTAIN REGION IN GRIP OF VERY COLD WEATHER

TEXAS FEELING EFFECTS OF NORTHER THAT STARTED WEDNESDAY NIGHT

By Associated Press.
Dallas, Texas, Jan. 21.—A cold wave accompanied by rain, snow and sleet in North and Northwestern Texas, descended upon the state last night.

Marked declines in temperatures even in South Texas were recorded.

At San Antonio the mercury dropped more than twenty-six degrees within an hour when a wet norther struck there early today.

The temperature at Amarillo this morning was twenty degrees above zero with snow falling.

Wichita Falls reported a blizzard with a total of 1.7 inches of snow falling during the night.

Ice which formed last night destroyed many lines of communication in that section.

By Associated Press.
Denver, Colo., Jan. 21.—The entire Eastern Rocky Mountain region is in the grip of a cold wave today.

The cold swept southward today into Southwestern Texas and the Panhandle area.

Leadville, Colorado, and Lander, Wyoming, had minimum temperatures last night of fourteen degrees below zero.

By Associated Press.
Fort Worth, Texas, Jan. 21.—Another cold wave that is expected to bring sleet and snow to North Texas points, reached the Panhandle early Wednesday and was driving southward accompanied by misting rain that froze as it fell.

The cold spell is following Springfield weather throughout the state.

The minimum temperature at Amarillo was 20 degrees Wednesday morning. Mist was falling at Wichita Falls before noon.

Local rains predicted for Fort Worth and vicinity were expected to turn into sleet or snow. Much colder weather was forecast Thursday night in North, Northeast and Northwest Texas.

Fair and colder weather was in prospect for Southwest Texas.

MOTHER AND THREE CHILDREN VICTIMS KEROSENE BLAZE

HOME DESTROYED WHEN MOTHER ATTEMPTED TO START FIRE WITH FLUID

By Associated Press.
Alliance, Ohio, Jan. 21.—Mrs. Mary Karevich and three of her children were burned to death when their farm house, ten miles west of here, was destroyed by fire today.

The father and four other children escaped.

The fire started when Mrs. Karevich attempted to start a fire in the kitchen stove with kerosene.

GEORGE HAWKINS IS SUPERINTENDENT OF ODD FELLOWS HOME

SUCCEEDS WADE HAMPTON, WHO RECENTLY RESIGNED THE POSITION

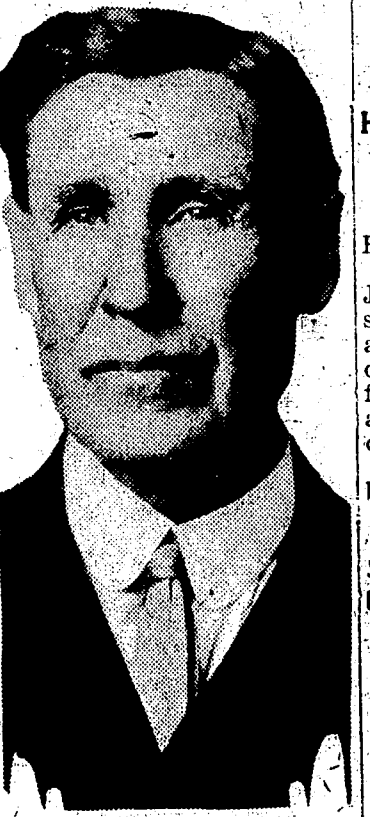

George Hawkins of Houston, past grand master of Odd Fellows of Texas, will succeed Wade Hampton as superintendent of the L. O. O. F. Widows' and Orphans' Home here, according to an announcement here Thursday.

The resignation tendered by Mr. Hampton several months ago was effective February 15. Due to his health conditions, Mr. Hampton will leave Saturday for El Paso.

Mr. Hawkins of Houston, who has been elected as the successor of Mr. Hampton, has arrived and will take charge of the Home Friday morning. He was busy looking over the work and familiarizing himself with the work of the superintendency Thursday. Mr. Hawkins was a member of the board and was also chairman of the Home board.

Superintendent Hampton has been in charge of the Home here for six years.

In Field Interest Semi-Weekly Light

W. L. MERRELL
Field Representative of the
Corsicana Semi-Weekly Morning
Light

W. L. Merrell, for many years a prominent citizen of Navarro county, having served two terms as county tax assessor of this county, is now connected with the Corsicana Semi-Weekly Morning Light in the capacity of field representative. Mr. Merrell will tour the entire county securing new subscriptions and renewals for this popular county paper. He has many friends in this county and is making a great success of his work.

CORSICANA GETS ANOTHER BIG RAIN TEMPERATURE DROPS

FREEZING WEATHER PRE- DICTED IN THIS SECTION THURSDAY NIGHT

The creeks of the county were again started on a rise by the rain, which fell Wednesday night. The rainfall amounted to one inch, according to the government gauge here, and was general over the county.

Richland and Chambers creeks are not out of banks, but were reported rising. Chambers was said to be about half bank full and slowly rising.

Elm creek, which supplies water to Lake Halbert, was reported overflowing as were all of its tributaries. The rain last night will probably put more water in the city lake than the two inch rain Saturday night as the watershed is thoroughly soaked and took up very little of the fall last night.

The ground is getting soft and the moisture is penetrating deeper with each rain. There is a better subsoil moisture now than there was at the same time last year.

Farm work has been completely stopped.

Roads, with the exception of a few miles of gravel, are already impassable.

The government weather observer has predicted extremely cold weather for this section of the state for tonight. A temperature of 18 with rain or snow is the prediction.

Associated Press reports from the Panhandle state that the blizzard has already struck there and that snow is falling and the temperature has dropped to 20 in some sections.

Cut off all water pipes tonight. Light snow began to fall in the mid-afternoon with the temperature showing signs of a gradual fall.

Reports from Chambers creek are that the stream is becoming swollen again since its fall following a head rise caused from Saturday's downpour. The bottoms of both Chambers and Richland creeks overflowed recently and the heavy influx of waters from last night's precipitation put more water into the banks.

No doubt a good season has been provided by the rainfall which has totaled more than three inches within the last few days.

MEXICAN LAND LAW PUBLISHED PLACING MEASURE IN EFFECT

By Associated Press.
Mexico City, Jan. 21.—The new alien land law is published in Diario, the official paper.

This constitutes an official promulgation of the measure and puts it into effect.

MANY SUSPECTS IN PLANNED UPRISING HAVE BEEN ARRESTED

HUNDREDS OF HOUSES BEING SEARCHED THROUGHOUT JUGO-SLAVIA

By Associated Press.
Belgrade, Jugo Slavia, Jan. 21.—More than 200 suspects have been arrested and raids are being carried on throughout the country following the discovery of an alleged communist plot to overthrow the government.

Hundreds of houses are being searched for evidence.

"Corsicana Has It."

SECRETARY MELLON NOT TO INTERFERE SENATE TAX BILL

CUT, HOWEVER, IS HEAVIER THAN THAT ADVOCATED BY TREASURY

By Associated Press.
Washington, Jan. 21.—Secretary Mellon of the Treasury expects to raise no serious objection to the tax bill as reported to the senate, despite the fact that it proposes a reduction of \$352,000,000 in the government receipts, whereas the Treasury had recommended limit of \$300,000,000.

It was said by the department of officials today that Mellon believed it inadvisable to interfere.

Take Stock of Yourself—

Thrift Week Is the Best Time

If your progress toward a comfortable financial condition seems to drag—take an inventory of yourself.

It's not the occasional extravagant purchases that hold one back—it's the combination of number of expenditures, each one of which runs too high.

A real "stock-taking" of yourself will show many "leaks."

There's no better time for such a review than now.

THE FIRST STATE BANK

OF CORSICANA

"Oldest and Largest State Bank in Navarro County"

Corsicana Semi-Weekly Light

Mrs. A. A. Wortham, Lowry Martin
WORTHAM & MARTIN
Owners and Publishers of the
Daily Sun and Semi-Weekly Light

ASSOCIATE PUBLISHERS:
Lynne Wortham, Boyce Martin
Entered in the Corsicana Postoffice
as second class matter.

Rates in Navarro County and
United States, both for renewal
and new subscriptions. In ad-
vance, one year, \$1.00; six months,
75c; three months 50 cents.

NOTICE.
To those who want their paper
changed from one address to an-
other, please give old address as
well as the new. It will cause less
delay and we can give much better
service to our subscribers.

ADDITION TO POSTOFFICE.

Another evidence of the great
growth of Corsicana is that the
local postoffice is in need of ad-
ditional floor space. According to
information the business has grown
to such an extent in the past few
years that the present facilities are
fast becoming inadequate. It is
understood that a move is now on
foot to secure an appropriation
through the congressman of this
district to have a second story
added to the present building. The
postoffice building is so con-
structed that two more stories will
be carried by the foundation. At
this time congress is making ap-
propriations for postoffice build-
ings in various parts of Texas and
with a little effort on the part of
the local citizenship aided by our
congressman it seems very favor-
able for the securing of an appro-
priation for the adding of this
second story. Now is the time to
push the proposition for an ap-
propriation so that a second story
can be added to the local post-
office. This additional space is
badly needed.

SPENDING WISELY.

The slogans which have been
found useful in former observances
of national thrift week are being
employed again in the observance
this year. "Have a bank account."
"Make a budget." "Carry life in-
surance." "Own your home." "Pay
bills promptly." "Make a will."
But there will also be heard an-
other slogan into which much good
advice has been condensed and
which suggests as good a defini-
tion for thrift as has been offered.
The slogan is this: "Spend Money
Wisely."

It is not thrifty merely to hoard
money. The miser who loves
money for its own sake rather than
for the things that it will buy him
is not an admirable character; he
is of no benefit to the community,
but rather an obstacle to its pros-
perity. The welfare of the citizens
is promoted by commercial activity
which depends on the spending of
money. If there were little spend-
ing commerce would stagnate.

Wise spending consists in pur-
chasing only those commodities or
services which contribute to one's
well-being and happiness. There
are comparatively few persons
whose entire income is thus ex-
pended. Practically everyone
spends money on things that he
would be just as happy without.
It is this—the money that goes
for things which really do one no
good—that should be saved. And
there is hardly any adult in good
health and in receipt of a steady
income who cannot save at least
a little without denying himself
anything that is essential to his
welfare or comfort.

Thrift is spreading, and the ob-
servance of national thrift week
this year should give noticeable
impetus to the movement to ban-
ish poverty. Reports indicate that
greater interest is being shown in
thrift week in all parts of the
country this year than ever be-
fore. By preaching thrift year
after year a deep impression will
be made, and the time may come
before long when there will be
fewer paupers in the United States
and less of the disease, crime and
immorality that are bred of pov-
erty.

BUILD NOW.

Waiting for reduced building
costs is like chasing the rainbow.
Now is the time to build. Do not
delay. The home owner is the
valuable citizen. And the man
that owns his home has that in-
dependent feeling that cannot other-
wise be acquired. Own your own

home. Delay the building of your
prospective home until next year
or the year after in the hope that
building costs will be reduced is
merely putting a brake on the hap-
piness of your family. It is like
chasing the rainbow's end or wait-
ing for a miracle. For the indi-
cations are that there will be very
little change in the next year or
two. Do not delay your building
program. Corsicana has many
beautiful and attractive homes yet
there is room for many more.

Under the direction of Mr. G. C.
Hudson the Navarro County Shrine
Club has enjoyed a very success-
ful year. In fact Mr. Hudson
proved such an efficient president
and was so popular with the mem-
bership that he was re-elected to
fill this office for another twelve
months. As brother officers, H.
R. Stroube was elected vice presi-
dent, J. N. Garitty, treasurer, and
Robert Cooksey, secretary. With
officers of such ability as the above
named heading the organization
much will be accomplished during
the coming twelve months. The
Navarro County Shrine Club is
made up of a live membership of
good fellows and when they start
out to do a thing they never stop
at halves. Such an organization is
a real asset to any community.

Regardless of how large a crop
you make and the price the crop
will bring before you can sell you
have to bring your produce to mar-
ket. And if the roads are im-
passable and you cannot get to
market your produce is worth
nothing.

Every day in every way poli-
tics are getting hotter and hotter.
Have you paid your poll tax? Be
a voter and take part in the se-
lection of the men, and we might
add the women, who will fill the
county and state offices of our
government.

This is the first time in the his-
tory of the income tax that the
tax payers are not being urged to
send in their returns. In the place
of the usual hurry request it is now
wait awhile. Something very un-
usual from the government.

A permanent fair plant—good
roads system—Legion memorial
building—these are the things the
citizenship of Corsicana and Na-
varro county should work for dur-
ing the coming twelve months.

Money can eliminate mud yet
some people would rather keep
their money and let the other fel-
low plow through the mud. The
man with the money don't have
to get in the mud.

Corsicana should have a junior
college. Not only would many
thousands of dollars be kept at
home but the boys and girls would
also be kept at home at that dan-
gerous age.

Corsicana boasts five of the
strongest banking institutions of
any city of like population in the
State which is further evidence of
the prosperity of the community.

The gubernatorial handicap in
Texas this year promises some
thrills according to rumblings from
the political prognosticators.

When a hot political campaign
is on a poll tax is a very neces-
sary article. Have you paid yours?
The time is growing short.

Corsicana merchants are enjoy-
ing a good business with prospects
of even better business during the
coming twelve months.

Have you secured that poll tax?
It is going to be a hot political
year and everyone will want to
be a voter.

The proposed Junior College
could be realized with a little ef-
fort on the part of the citizenship.

Do not delay in paying your
poll tax. The time is growing
short.

The rain was welcomed by the
farmers—but they have to stay at
home on account of the impassable
road conditions.

That poll tax receipt will be
more than a "scrap of paper" this
year. Have you paid yours?

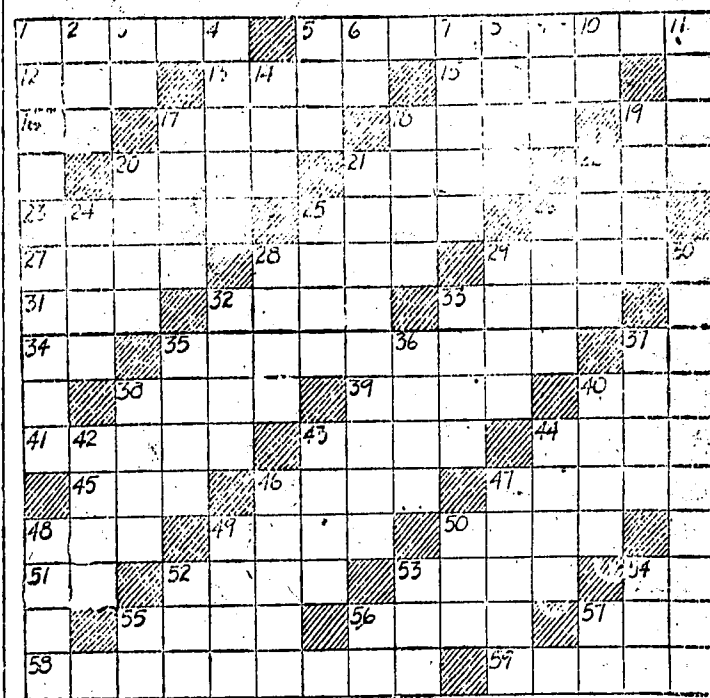

An automobile show and spring
carnival would no doubt prove
very popular in Corsicana.

Unite your efforts for the de-
velopment of Corsicana, Navarro
county, and Texas.

Pay that poll tax before it is too

Today's Cross-Word Puzzle

TRICKY TOBOGGANS—Puzzle No. 379

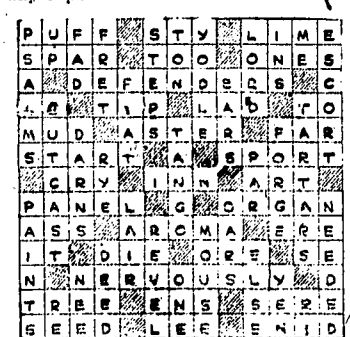

HORIZONTAL

- 1—claw of a bird of prey

SMITH COUNTY'S FARM AGENT GIVEN CREDIT GOOD WORK

E. Gentry, county agent of Smith
county, to whom Mont Adams of
Tyler, winner of the Texas cotton
contest with some \$1500 in cash
prizes, is a brother of Henry Gentry
of Corsicana, county agent for
Navarro county.

The Tyler farmer raised more
than sixteen bales on a fraction
less than five acres of land which
had been farmed for more than
fifty years. Smith county stood
out predominantly in this annual
cotton contest, coping many of
the prizes and the announcement
of the annual awards was the oc-
casion of a county-wide celebra-
tion. E. Gentry was given public
credit for leading and directing the
better farm campaign which is
putting Smith county on a new
basis of farm prosperity.

COURTHOUSE NEWS.

From Tuesday's Daily:
District Court.

The grand jury is still in session.
A civil case was on trial in the
district court Tuesday.

Sheriff's Office.

JARDINE TELLS OF WAY FARM SURPLUS PROBLEM BE MET

AGENCY CONTROLLED BY
FARMERS TO HANDLE MER-
CHANDISE ADVOCATED

Associated Press.
Champaign, Ill., Jan. 21.—A farmer controlled agency to handle agricultural merchandising in relation to the farm surplus problem, was favored by Secretary of Agriculture Jardine in an address today at the annual meeting of the Illinois Agricultural Association.

In such a rightly constituted agency, board or commission, the Secretary said he saw the possibility of attacking the surplus problem in a constructive and scientific way and along broad lines.

Pay Less Tribute To Your Kidneys

Your kidneys will keep on exacting more of you as long as you will let them. You can go on paying tribute and you can go on suffering as long as there is an ounce of strength left in your body. Or if you choose, you can make your kidneys pay tribute to you. You can be healthier, and happier if you choose to take

Inabine

Inabine keeps the kidneys active. Makes them accomplish their specific task more freely and frequently. Relieves you of backache, nervous exhaustion and that run-down feeling. Particularly valuable in all cases of faulty elimination.

INABINE is guaranteed satisfactory or money back in all cases of Rheumatism of Kidney and Bladder disorders.

For sale and guaranteed by INABINE DRUG CO. and other druggists.

ANGUS COMMUNITY MOURNS PASSING OF POPULAR RESIDENT

Special to the Sun.

Angus, Texas, Jan. 20.—It is with a feeling of deepest regret and sadness that we report the death of Mr. J. T. Frazier, who died Thursday afternoon of last week. The end came after a few weeks of suffering during which time all was done for him that loving hands and hearts could do. There will be a vacant place left by his passing away and friends relatives will not soon cease to mourn the loss of this true and noble man. Our hearts go out in sympathy to his children and other relatives in their hour of grief and sorrow.

The Angus basketball girls won over the Pickett girls, score being 17 to 11.

There was a party at the home of Mr. and Mrs. Frank Caffy Friday night. All had a good time. A new filling station is going up in Angus. It is put in by Mr. Hays of Richmond.

Mrs. Albert Harris of Corsicana spent Friday at Angus. The wedding bells were heard in Angus community Saturday when Mr. Homer Gentish of Milled and Miss Lorine Martin of this place were married Saturday evening. Both were well known in this community. Both have hosts of friends hoping that their pathway through life will be pleasant.

Brady Caffy has returned to Angus after being gone over a month.

Miss Lola Pryor has been on the sick list, but is better and back at school.

Billie Thomas and Walter Stewart went to Zion's Rest to attend a singing at the home of Mr. Jodie Glass Monday night.

Misses Hattie B. Caffy and Edna Bray spent Sunday with Miss Johnnie D. Story.

Anton Szenasy had his chin hurt while playing at school Monday evening.

Personal Items From Purdon and Vicinity

Special to the Sun.
Purdon, Texas, Jan. 21.—J. S. Owen and son Russell left Friday for Malakoff where they will make their home in the future.

Dr. A. B. Workman of Dawson was a professional visitor here Saturday.

J. P. Anderson and family and J. B. Adkins went to Wortham Friday on business.

T. A. Davis and P. L. Elmore of Shady Grove community spent the day here.

C. C. McElwath and Ray Vance went to Malone. Mr. McElwath contemplates putting in a picture show at that place in the near future.

M. W. Tickle was a visitor to Corsicana Friday.

W. D. Owens was here from Kerens Sunday.

Richard Ellis went to Corsicana Monday.

Fred Mitchell of Mexia spent Sunday here a guest of his brother C. F. Mitchell.

Jno. Fraley came in Monday from Corsicana for a short visit.

W. W. Dill and Slim Stout came in Sunday night from a visit to Malakoff.

J. L. Baletine left Monday night for Lubbock and other points in the plains country where he will buy cotton for the next two months.

A. J. Ellis is moving his family to Corsicana.

J. E. Berry was here from Dawson Monday.

Roger Carroll of Blooming Grove was a visitor here the early part of the week.

Edgar Adkins went to Corsicana Monday.

G. C. Dunn was here Monday from Corsicana.

C. F. Mitchell, A. H. French and C. T. Compton were visitors to Corsicana Tuesday.

T. A. Key was here Tuesday from Corsicana.

J. W. Ryan a former resident of this place, but now of Eagle Pass is here for a visit.

Dr. A. D. Sanders was here today from Corsicana looking after sick folks.

In Memory of J. N. Waling.

We all miss you dear old comrade. From the daily walks of life; You are gone, but not forgotten. From this word of bitter strife.

We miss you when the morning sun Pours light and gladness o'er the plain.

We miss you, when with noon tide heat. The king of day asserts his reign.

When darkness creeps along the vale. Your voice, your step, your face we miss;

We miss you when the twilight falls. And dew drops drink the moon-beam's kiss.

Although we sorely miss you, And our hearts are wrung with pain;

But we bow our heads in sadness And know our loss is Heaven's gain.

Written by a U. D. C.

BOOK ON GROWING ANNUAL FLOWERING PLANTS AVAILABLE

Evidencing a strong interest in beautifying the yards of American homes, the United States Department of Agriculture makes available an eighty-two-page pamphlet entitled "Growing Annual Flowering Plants."

who are planning to have more attractive yards this year will doubtless be interested in this profusely illustrated booklet. Cultural suggestions as well as accurate information on dozens of varieties of flowers are given. While the limited supply lasts, copies of this publication may be obtained for the asking at the Chamber of Commerce office from Miss Elma Lawson, Home Demonstration Agent.

Jay Larrymore has returned to his work in Wichita Falls after a visit home.

OFFICERS ELECTED FOR NATATORIUM CO. FOR ENSUING YEAR

At the annual stockholders' meeting of the Natatorium, Inc., held at the First National Bank directors room Monday morning the following directors were elected for the ensuing year:

E. D. McCarver, Henry Walker, J. R. Neece, Jr., J. L. Collins and Robert M. Cooksey.

The directors then elected the following officers:

E. D. McCarver, president; J. R. Neece, Jr., vice president, and Robert M. Cooksey, secretary.

The building committee, composed of the directors, were authorized to proceed with the work of erecting a permanent bathhouse, the same to cost from \$16,000 to \$15,000 and to do such other work as is deemed necessary on the natatorium premises on South Twelfth street. On completion of the contemplated improvements the Natatorium will have expended about \$65,000 on the property leased from the city on which work started last year toward the building of a swimming pool.

EAGLES DECIMATING LAMB CROP WESTERN SECTION OF TEXAS

By Associated Press.
Houston, Texas, Jan. 19.—Eagles are decimating the lamb crop in West Texas.

A correspondent in Sterling county wrote H. H. Schultz, government statistician here, that he lost 43 lambs from an eagle. This eagle picked out the lambs' eyes and tore open their sides. It has also attacked the ewes.

"Every now and then, we learn of losses from eagles on Edwards' Plateau where most of Texas sheep and goats are concentrated, but this is the largest single loss that has come to our notice," Mr. Schultz said.

Parentalistically and concerning the general sheep and goat situation, Mr. Schultz said, "rain and snow recently over most of the sheep and goat territory were of such value and practically assured a good lamb and kid crop, despite depredations of eagles."

CORSICANA TIGERS WILL BE PITTED CLASS B WINNER

According to an announcement Wednesday afternoon by Navarro County Athletic Director Stover of the University of Texas Interscholastic League, the championship game will be played January 28.

The Corsicana Tigers won the right to participate in the final game of the county title when they defeated the Kerens Bobcats in their game played in Kerens Tuesday afternoon. The Class B winner has not been determined. The various teams were scheduled to have played Wednesday afternoon but the weather conditions caused the postponement of the games. The finals among the Class B teams is scheduled to be played Friday of this week and the finals among the Class A teams is scheduled to be played within the next few days.

The building committee, composed of the directors, were authorized to proceed with the work of erecting a permanent bathhouse, the same to cost from \$16,000 to \$15,000 and to do such other work as is deemed necessary on the natatorium premises on South Twelfth street. On completion of the contemplated improvements the Natatorium will have expended about \$65,000 on the property leased from the city on which work started last year toward the building of a swimming pool.

BILIOUSNESS

Retired Minister Tells How He
Keeps in Good Form With
the Assistance of
Black-Draught.

West Graham, Va.—The Rev. Lewis Evans, a well-known retired minister, now past 80, living here, has a high opinion of Black-Draught, which he says, he has taken when needed, for 25 years.

"For years I had been suffering with my liver," he says. "Sometimes the pain would be very intense and my back would hurt all the time. Black-Draught was the first thing I found that would give me any relief."

"My liver has always been sluggish. Sometimes it gives me a lot of trouble. I have suffered a lot with it—pains in my side and back, and bad headache, caused from extreme biliousness."

"After I found Black-Draught, I would begin to take it as soon as I felt a spell coming on and it relieved the cause at once. I can recommend it to anybody suffering from liver trouble. A dose or two now and then keeps me in good form."

Made from selected medicinal roots and herbs, and containing no dangerous mineral drugs, Black-Draught is nature's own remedy for a tired, lazy liver. NC-166

Black-Draught
LIVER MEDICINE

BASKETBALL GAMES POSTPONED DUE TO CONTINUED RAINS

Continued rains over the county Wednesday afternoon probably caused the postponement of the scheduled basketball games between the various Class B teams of the Navarro County University of Texas Interscholastic League.

According to a statement made Wednesday afternoon by Athletic Director Stover of the league in this county: The games were scheduled on outdoor courts and the rains put the courts in such condition that it was probable that none of the games were played. It may become necessary for the Class B teams to journey to Corsicana and play their games on the Y. M. C. A. gymnasium in the event that the weather conditions do not improve.

There is an indoor court at Blooming Grove.

Frost and Rural Shade were scheduled to meet at the State Home grounds Wednesday afternoon but neither team showed up.

The Pardon and Rife teams, both boys and girls, meet at the Corsicana Y. M. C. A. court Thursday for two games.

LOCAL ENCAMPMENT INSTALLS OFFICERS FOR ENSUING TERM

Monday night the following officers for the ensuing term for the Navarro Encampment, 1 O. O. F. Corsicana, were installed:

A. L. Norton, past chief patriarch; O. C. Gibbs, chief patriarch; C. C. Barnaby, high priest; Hyram (Jack) Humphries, senior warden; C. J. McFee, junior warden; P. L. Sparkman, guide and captain of the degree team; C. Todd, first watch; M. H. McGee, second watch; P. P. Middleton, third watch; B. M. White, fourth watch; J. R. Willis, inside sentinel; H. C. Andrews, outside sentinel; W. W. Clifton, recording scribe; E. A. Johnson, treasurer.

H. E. Traylor was the installing officer.

Mrs. F. B. Johnson Died Here Today

Mrs. F. B. Johnson, aged 36, died at her home 612 South Fourteenth street at 1:10 Tuesday afternoon. The body will be shipped to Paris, Tenn., for burial and will leave here at 11:20 Wednesday. She is survived by her husband and father, who lives at Paris, Tenn. She and her husband had been here only two months.

Marriage License.

Harry H. Craig and Alta Dunagan.

FUNERAL SERVICES TUESDAY AFTERNOON FOR MRS. CHESTNUT

Funeral services for Mrs. W. A. Chestnut, who died Sunday night in Dallas after several weeks' illness, were held Tuesday afternoon at 3 o'clock from the family home, 1439 West Second avenue, with the Rev. H. T. Jones, pastor of the Third Avenue Presbyterian church of which deceased had been a long time and valued member, officiating. Interment was in Oakwood Cemetery, following the services at the home.

Active pallbearers were Tom Hickey, Orin Boynton, Hord Kerr, Charlie Jester, Lawson Coulson, Perry McCammon, Walter Pendley, Jess Eubank, George Baum and Jim Nick Garity. Honorary pallbearers were the board of deacons and the board of elders of the Third Avenue Presbyterian church and the friends of Mrs. Chestnut.

There was an exceptionally large attendance at the funeral services, and a great concourse of friends followed the remains of this much-loved woman to her last resting place in Oakwood, where the grave was completely hidden from view by the great profusion of beautiful flowers brought by friends who had known and loved this good woman during her many years of residence in Corsicana, during which time she had made and held a great host of friends by her sweet and always cheerful disposition, and by the many kind and loving deeds that were a part of her every-day life.

A large number of friends and relatives from out of town were present for the funeral, among them being Mr. and Mrs. Frank Cullinan and children of Dallas, and Mr. and Mrs. Ward Chestnut of Wichita Falls, children of Mrs. Chestnut.

MUCH INTEREST CENTERED IN NEW TEST NEAR POWELL

The drilling of the new test near Powell by Penn & Windsor and others, located for which was made Saturday, is hailed as good news to local interests. Geologically, the test is considered not a bad bet, so to speak. The test of Rowan Drilling Company and Edson Petroleum Company on the Warren, the Penn & Windsor Vinson, and the Findley Oil Company on the Kiser, lying slightly to the east, made gas and salt water, which indicated east side water, which the original geology that the pay lies just west. The new test is about 1,000 feet directly west of the Findley Oil Company test on the Kiser.

Other tests have been drilled along this line in search of the extension fault from the Powell discovery deep pool of 1923, and every one has borne the earmarks of an east side well. Humphreys-Doyd Oil Company failed to find it in the Walthall test, and Penn & Windsor discovered a fairly good gas flow on the Ashber. Gilbert Johnson on the Greer tract made favorable geological indications that the west line had not been crowded near enough to find the Woodbine oil.

There has been some acreage trading recently in the vicinity of the new location.

HARDWARE DEALERS COMPLAIN OF DRUG STORE INTRUSION

By Associated Press.
Dallas, Texas, Jan. 19.—Should a spraying machine full of germicide be classed under hardware or drugs? And when is a pocket knife dry goods and when hardware?

These questions are perplexing the Texas Hardware and Implement Association which meets here in annual convention Jan. 19-21.

Drug and dry goods stores have taken on so many articles of hardware that the retail merchants are raising a complaint over the alleged encroachment on their business. According to officials of the association, it is becoming increasingly difficult for the hardware trade to sell at a profit some of the staple lines.

Many drug stores, it is pointed out, carry fairly complete lines of pocket knives, razors, flashlights, batteries, sporting goods, vacuum bottles, paint and paint brushes, which the hardware merchant holds are exclusively his stock in trade.

It is also complained that grocery stores are featuring as leaders such articles as aluminum ware, barbed wire, nails, foot jars, rope, wooden ware, and even composition and metal roofing. Frequently these articles are sold at a greatly reduced price with a certain order of groceries.

Hardware men allege that this is unfair competition on the part of dry goods and grocery merchants and unethical on the part of the hardware jobber who sells these things to the dry goods and grocery merchants.

A solution of this problem has been proposed in the formation of local associations composed of hardware, grocery, drug and dry goods merchants, who would mutually agree to eliminate conflicting lines. The hardware stores would relinquish to the drug stores the spraying machines, and similar drug lines, while the drug stores would turn over spraying machinery, razors, knives, aluminum ware and similar hardware.

This proposition will be discussed at the meeting and the following three plank platform proposed will be presented: "First, the recognition by hardware retailers of the importance of confining their purchases of hardware lines to hardware jobbers; second, the recognition by hardware jobbers of the importance of refusing to solicit the business of other stores on hardware lines; and third, the organization of local merchants' associations."

President T. O. Walton of Texas A. & M. College is on the program for an address. An unusual feature will be an address on "The Hardware Store as Women See It," by Miss Mildred Horton, state home demonstration agent, Texas A. & M. College.

MARKET RATINGS

New York futures closed down from 11 to 15 points. New Orleans from three to seven. May wheat dropped about two and one-half cents and only a few cents. Corn lost one cent. There was not much change in oats.

New York March cotton opened 20.23, high 20.32, low 20.17, close 20.17. Yesterday's close 20.28.

May opened 19.73, high 19.80, low 19.62, close 19.62. Yesterday's close 19.77.

New Orleans March opened 19.65, high 19.72, low 19.60, close 19.61. Yesterday's close 19.64.

May opened 19.10, high 19.22, low 19.07, close 19.09. Yesterday's close 19.15.

Liverpool March opened 10.34, close 10.35, May opened 10.23, close 10.24.

May wheat opened 1.74 3/4, close 1.73 1/8. Yesterday's close 1.76 1/2.

July opened 1.51, close 1.50. Yesterday's close 1.52 1/2.

May corn opened 83.75, close 83.12. Yesterday's close 83.38.

July opened 86.14, close 85.78. Yesterday's close 86.78.

May oats opened 45.18, close 44.34. Yesterday's close 45.38.

July opened 45.38, close 45. Yesterday's close 45.58.

Cotton Letter.

New Orleans, La., Jan. 21.—Cotton was very steady again today with prices averaging a few points over the previous finals. Covering in January was renewed on a small scale and there was a good demand for March at various times which evidently came from shorts in that position.

Dry goods news continues favorable with New England Mills reporting sales excess of production.

STUPENDOUS SHIPMENT OF DENNISON CRAFTS MATERIAL just arrived. Many new items. CITY BOOK STORE.

Did You Know

that lately Fred Mitchell has added one of the best equipped optical parlors to be found anywhere? 214 South Beaton.

Correction.

In Wednesday's issue of the Sun an item was carried reporting that Miss Louise Parker, daughter of Mr. and Mrs. W. T. Parker, of this city was operated on for appendicitis at Wortham. Miss Parker is at Wortham, not Wretham, where she is teaching music in the public schools of that city. According to reports Thursday Miss Parker continues to improve.

We Still

have a few dollars to loan on watches, diamonds, guns, handbags, etc.—Fred Mitchell, 214 South Beaton.

Phonographs

Phonograph prices reduced about 50 per cent at our store. Records with each sale. Terms to suit all.—Southwestern Music Co.

DOMINOES and UNCLE SAM PLAYING CARDS, 12 PRICE. CITY BOOK STORE.

SPECIAL SERVICES

ZION'S REST SUNDAY DINNER ON GROUND

Preparations are being made by the people of Zion's Rest for an eventful occasion on next Sunday, Jan. 24, an all-day meeting with a wonderful variety of services. We are delighted to extend a special invitation to everybody to pass this way, not only the people of this immediate community, but we send invitation to the people of the adjacent communities, both country and city. Come, bringing your baskets filled with good things to eat, and meet with your friends from everywhere, and enjoy that almost lost art, old-time, old-fashioned social hospitality that was known in the days of yore.

We are to have with us Dr. John M. Barcus, our presiding elder, and N. B. Johnston, a very noted singer and song writer, and his wonderful choir.

The program for the day will open with the Sunday school service promptly at 10 a. m., conducted by our general superintendent, Joe M. Brown. At 11 o'clock preaching service, with special music by the choir. Solo, Mrs. Smith and song by the quartet. At 12 noon, will come the feast of good things. At 1:30 p. m. Dr. Barcus will call to order the session of the first quarterly conference, which occasion will be filled with interest and instruction.

At about 2:30, after the adjournment of the conference, Mr. Graham will present to the audience Mr. N. P. Johnston, who is a very able and efficient choir director and song composer, who will direct the evening song concert. At 6:30 p. m. the Epworth League will lead in a very interesting program. At 7:30 p. m. Dr. Barcus will preach, and after the sermon administer the elements of Holy Communion, which will bring to a close the day's program.

Again, you are cordially invited to attend any and all of these services. GEO. G. SMITH, Pastor.

Why not vote for Mose Wells for Assessor?—adv.

Late Records

Here are some knockouts: "If I Ever Cry You'll Never Know," "Spanish Shawl," "Camel Walk," "Five Foot Two," "Eyes of Blue," "Pretty Puppy," "Toes for Two," "Shoe's Sweeter Than Sugar"—Southwestern Music Company.

And Now

we have added an optical department—have all the latest equipment for testing eyes and fitting glasses. The very last word in optical work.—Fred Mitchell, 214 South Beaton.

EFFORT IS BEING MADE TO COMPLETE JURY IN SNOW CASE

By Associated Press.

Stephenville, Texas, Jan. 21.—Efforts will be made this afternoon to complete the jury to try F. M. Snow, charged with the murder of his stepson, his wife and his mother-in-law.

The third venire of 100 men was ordered to report today.

When You Want to buy a diamond or watch below what it is worth, see Fred Mitchell, 214 South Beaton.

Mrs. R. W. Gilbert is Very Ill in Vernon

Mr. and Mrs. Ed Sheets received a message late yesterday stating that their daughter, Mrs. R. W. Gilbert, was very ill in Vernon, and Mrs. Sheets left last night for the bedside of her daughter. Mrs. Gilbert has many friends in Corsicana who will hope for her a speedy and complete restoration to her wonted health.

ANOTHER STOLEN CAR RECOVERED BY CITY POLICE CHIEF

According to an announcement given out Thursday by Chief of Police Will S. Knight, the automobile belonging to A. D. Wilson, which was stolen on Tenth street in Corsicana on the night of August 21, 1925, has just been recovered in Fort Worth. Numbers had been changed and the car had been registered in Weatherford, it was stated. One party is being held in connection with the case.

In this connection Chief Knight has a record of all cars reported to the police department as stolen during the past year and an examination of his loose-leaf ledger pertaining to these stolen cars and the disposal of the cases shows that only in a very few instances has there been a failure to recover the stolen cars, a record to be proud of.

AGRICULTURAL CONFERENCE IS CALLED DALLAS

The following has been received with the request that it be given space in these columns:

To all farmers, farm organizations, county agents, teachers, editors, bankers and business interests of Texas:

The time has arrived for prompt and proper action in behalf of our agricultural interests. Agriculture and all kindred industries are threatened with bankruptcy if present agricultural practices are continued. A bumper cotton crop this year with consequent low prices and short feed crops will surely bankrupt the State. A better system of farming and marketing is imperatively demanded.

For the purpose of co-operation and united action in solving agricultural problems, we hereby call a State-wide Agricultural Conference to be held at the Baker Hotel in Dallas, Texas, at 10 o'clock a. m. Saturday, January 23, 1926, for the following purposes:

1. To encourage the reduction of cotton acreage during the year 1926.

2. To encourage the growing of better staple cotton.

3. To encourage the planting of enough feed crops to supply the State.

4. To encourage the proper rotation of crops and building up of the soil.

5. To formulate plans for a county and school district organization to accomplish the purposes above enumerated.

6. To discuss marketing problems and such other related subjects as may properly come before the conference.

7. To elect delegates to a South-wide Agricultural Conference to be held at Memphis, Tenn., February 3, 1926.

We earnestly request farmers, officers of farm organizations, county agents, editors, teachers, bankers, and other business interests to attend this conference and assist in formulating plans to better agricultural conditions.

The railroads have been requested to give reduced rates for this meeting.

All newspapers are earnestly requested to give publicity to this call.

GEO. B. TERRELL,
Commissioner of Agriculture.

Card of Thanks.

We wish to thank all who assisted us in any way during the illness and death of our husband and father, Tom Sullivan. We also thank those who sent floral offerings.

Mrs. Tom Sullivan and Family.

Card of Thanks.

We wish to express our many thanks to our dear friends and neighbors during the illness and death of our dear husband and father. We also thank Dr. Slater for the many trips he made in trying to restore him to health, for we all know he did all in his power. May God's richest blessing rest on each and every one. We also want to thank the children and teachers of the Angus school for the beautiful flowers which they sent in memory and respect of our dear father. Written by his dear wife, MRS. I. T. FRAZIER, AND CHILDREN.

W. F. Martha of Breckenridge was here today.

R. L. McCoy was here today from Dallas.

Pimples

What can I do?

"If, why can't I have a skin like other girls? Why do I have to have these ugly pimples, blotches and blackheads?"

"If I could only find something that would clear up my skin and give me back my soft, rosy complexion, I know I would be the happiest girl in the world! What can I do?"

Is that you talking? If it is, you don't have to worry a minute! Just build up the rich, red blood in your body. Then your skin will be as clear and soft as anybody's.

That's what S. S. S. has been doing for generations—helping Nature build rich, red blood! You can build red-blood-cells so fast that the impurities that cause breaking out on the skin hardly get into the system before the pure blood annihilates them—kills them right out—stops them from breaking out through the skin.

And then this rich, red, pure blood feeds and nourishes the tissues of the skin and keeps it looking healthy.

That's all there is to it. Healthy, vigorous red blood such as S. S. S. helps Nature build, makes you healthy all over. It beautifies your skin—drives away pimples, blackheads, blotches, rash, boils and eczema—gives you back your appetite—builds firm, plump flesh and fills you full of new life and energy.

All drug stores sell S. S. S. Get the larger bottle. It's more economical.

PROMINENT CORSICANA BUSINESS CORNER AS IT LOOKED FIFTY-TWO YEARS AGO

The above is a picture of the structure that occupied what was known for years as the Allyn corner, in the year 1874, fifty-two years ago. The building was located at the southwest corner of Beaton and Collin streets, and as can be seen from the signs displayed was occupied by Rous, Condon & Co., grocers, and U. M. Lee & Co. Note the double team of oxen, which were much in use during those days, but seldom seen now. For many years the corner has been occupied by a two story store for a number of years. The corner is now occupied by Piggly-Wiggly No. 1. The original photo was evidently taken during the summer season, as there is a lack of coats worn by the men in the picture, who all seem pleased at the opportunity of posing for the photo.

KITCHEN CONTEST IN EFFICIENCY TO BE STAGED COUNTY

The Home Demonstration Agent for Navarro county, Miss Elma Lawson, with headquarters at the Chamber of Commerce, is instituting a kitchen efficiency contest for this county, and has handed in the following questions that will be of assistance to those entering the contest, or who may wish to improve the efficiency of their kitchen work and equipment:

Ask yourself these questions and check your efficiency:

Do I take useless steps about my work?

Is my work table correct in height for my height so that I do not have to stoop to my work?

Are my cooking utensils grouped together, or must I walk from

one end of the kitchen to the other to secure the articles I need in cooking?

Do I have a cleaning closet for brooms, mops, dusters, etc.?

If I cannot have a cleaning closet, could I make a rack for brooms and mops?

Could I put the wood box on legs so I would not have to stoop every time I gathered wood?

What shelves could I put up which would make my work easier?

Am I using the right tools for the purpose?

Are my tools in good condition?

Do I sit at my work as much as possible?

Any woman interested in help get in touch with the County Home Demonstration Agent, at the Chamber of Commerce, and enroll in the contest before February 1, 1926. All kitchens will be scored at the beginning and end of the contest by a county judging committee and prizes will be awarded to the kitchen making the greatest improvement in proportion to cash

expenditure on the following basis:

Class 1—The kitchen making the greatest improvement for the least amount of money. (Cost not to exceed \$25.00.)

Class 2—The kitchen making the greatest improvement in proportion to the expenditure. (Cost exceeding \$25.00.)

Stop That Itching

No matter how desperate your case may seem, nor how long you have suffered from Eczema, Itching, Cracked Hands, Itch, Poison Oak, Old Sores and Sores on children, or any other skin disease, we will sell you a jar of Blue Star Keady, on a guarantee. This is different from the ordinary skin treatment. It penetrates the skin, going direct to the seat of trouble and immediately relieves that terrible itching. Will not stain clothing and has a pleasant odor.

BELIEVE DRILLING WILL START ELLIS COUNTY EARLY DAY

There is a strong undercurrent in oil circles that drilling is to be done in the Ellis section in Ellis county at an early date. However, there has been nothing definite along this line to take form till the present. The leasing in that section has slowed up and the first wave of a new boom has practically spent its force. It will require drilling to bring about another wave of speculation in leases and oil royalties in the opinion of oil fans.

It is common talk in oil centers that drilling contracts have been let on certain Ellis county tracts, and that only a few days more will see one or possibly more drilling rigs carried into the district.

A big portion of Ellis county is already under lease. Acreage has sold as high as \$60 per, with some held at \$100 per. This would indicate that a real bona fide boom will result soon in that area. Drilling no doubt would add a considerable impetus to the interest there, and would put acreage up still higher. Everyone is waiting for a test to be started.

Wrestling Match at Kerens Friday Night

Special to the Sun.
Kerens, Texas, Jan. 19.—Henry S. Stoff, 187 pounds, will wrestle Young Herman, 173 pounds, at the armory of the 132nd Field Artillery, Battery E, on Friday night, January 22 at 8 o'clock. Stoff is from Mexia, Texas, and has never been defeated in this city, and is expected to be a good match for Herman of St. Louis, who is considered one of the best wrestlers of his weight in Texas.

CONVERSATION NO. 5

YOU GET YOUR MONEY'S WORTH

SAYS IKE TO MIKE:

When You Use Royall's King of the Cup Coffee

IKE:

"Say, Mike, my wife Rebecca, wants you and your wife, Maggie, to come over tonight and talk over the church festival to be given soon. The time you know when all of the church folks get together and have a good time. Yes, they will have something to eat and drink for the occasion which I guess sounds good to you."

MIKE:

"You can depend upon us being there, Ike, for Maggie always enjoys helping out in such affairs, for you know she always has the serving of coffee in charge for such occasions."

IKE:

"Well, Mike, your wife certainly knows how to make good coffee, and she tells me that she always uses that delicious Royall's King of the Cup coffee, for it is the best coffee she has been able to find. Another thing, too, about this high grade coffee is that Maggie says a pound of Royall's King of the Cup coffee makes 2 1/2 gallons of coffee as compared to 2 gallons made from other so-called best brands."

MIKE:

"Yes, I know, Ike, that the high quality and strength of Royall's King of the Cup coffee is bound to make more cups to the pound than other brands. In fact, I was talking to my groceryman about Royall's coffee making more cups to the pound than other high grade brands and he said that it's a fact, for there has been numerous tests made in which one pound of Royall's King of the Cup coffee makes twelve more cups to the pound than the other brands."

IKE:

"Well, I can see now why it is that Royall's coffee is used at all of the social functions where coffee is served, for it is not only the best to be had but it goes farther, and the same will prove to be the case in the home consumption of coffee."

MIKE:

"Just think what a great saving there is in using Royall's King of the Cup coffee as for every pound used there are twelve more cups as compared to what other brands make, and during a year's time much money is saved on the coffee bill."

IKE:

"Yes, that's not all, Mike, when you use Royall's coffee you will not only practice economy and get the best high grade coffee on the market, but you will be patronizing a home institution that will continue to grow and prosper thereby adding to the pay rolls, and keeping the dollars active among us home folks."

MIKE:

"Well, I will have to hurry on, Ike, and tell Maggie to get ready for the meeting. Will see you later, so long!"

DEMONSTRATION TRAIN WILL COME CORSICANA SOON

COTTON BELT WILL ASSIST DAIRY, HOG AND POULTRY INTERESTS

According to announcement of the U. S. Bureau of Animal Industry, a local commercial agent of the St. Louis Southwestern Railway Company (Cotton Belt) that road will send out a dairy, hog and poultry demonstration train to be operated on the road's lines in Texas, beginning February 1. The tour will be made in co-operation with the agricultural college, through specialists and county and home demonstration agents. The tour will continue into March.

The train will be in Corsicana Wednesday, February 10.

Lectures will be made at the various stops by dairy, hog and poultry specialists, and it is stated some of the counties will work up local prizes for the community in the county having the greatest number of boys and girls' club visitors to the exhibit train.

The exhibit cars will contain feeding rations, live poultry and the equipment needed in dairy, hog and poultry production.

The Cotton Belt Railway will give a cash prize to the county in the State having the greatest number of boys and girls' 4-H Club members and vocational agricultural students combined attending the Cotton Belt Demonstration Train. Credit will be given the county where member belongs regardless of point where train is visited. Credit will only be given where such boys and girls turn in at train, on a slip of paper, their name and address, name of the community or school, name of county and whether or not a 4-H Club member or a vocational agricultural student.

The schedule of the train through Texas has been announced as follows:

February 1, McGregor, 10 a. m. to 12 p. m.
February 2, Gatesville, 10 a. m. to 4 p. m.
February 3, Hamilton, 10 a. m. to 12:30 p. m.; Ireland, 2 p. m. to 5 p. m.
February 4, Carlton 10 a. m. to 2 p. m.; Alexander 3:15 p. m. to 5:30 p. m.
February 5—Stephenville 9:30 a. m. to 11:30 a. m.
February 6—Comanche 10 a. m. to 4 p. m.
February 8—Waco 10 a. m. to 4 p. m.

HILL COUNTY COMES IN FOR BIG PLAY OF OIL LEASE HUNTERS

Hillsboro, Texas, Jan. 21.—Hill county is being regarded as a potential oil center and the eastern and western parts of and some parts of the southern portion of the county are coming in for attention.

News from Hubbard is that an oil leasing campaign that had its start at Ennis a few weeks ago has appeared in that city. The Gulf Production Company, The Texas Company, E. L. Smith and Penn & Windsor have leased in the immediate vicinity of Hubbard something more than 20,000 acres. On the eastern boundary along Richey land Creek much leasing activity is under way. At Penelope, the Pure Oil Company has leased about 3,000 acres.

C. F. Merritt has leased 15,000 acres west of Osceola and a derrick is being erected near Blanton. East of Abbott near the line of Hill and McLennan counties 6,000 acres have been leased by E. L. Rensch of Kiefer, Okla.

MEDLIN LED KERENS CAGERS WITH SEVEN POINTS—TUESDAY

By PAUL MOORE, Sun Sports Editor.

Kerens, Jan. 19.—In one of the hardest-fought basketball games ever staged in this portion of the country, the Corsicana Tigers annexed the title among the Class A teams of Navarro county here Tuesday afternoon against the Kerens Bobcats by a score of 14-13 before a large crowd.

A good delegation from Corsicana, the game was as hard-fought as the score indicates.

At the end of the first quarter, the score was 7-2 in favor of Kerens. The score at the end of the second period was 7-5 in favor of Kerens and at the end of the third period the score was tied 10-10.

Clarence Horn, forward of the Tigers, again was the high point man of the game with nine points to his credit. He was closely pressed by Medlin of Kerens who accounted for seven points.

With this victory, the third game of the series will not be played between the two teams as the Tigers annexed the first two games. The deciding factor of the game was the fast work of George Morwood, who made his first appearance with the Tigers since his return from his sad mission to New Mexico due to the death of his mother. He was fast and played a great game. Had he been out of the game, Kerens would have annexed the game and it would have been necessary for another game to have been staged.

With two minutes to go, Corsicana was leading by a four-point lead. Medlin rang another goal. Tyner rang a free toss. Both teams began battling in a frenzy to make more scores but the game ended with Corsicana in the van.

Dirt Court.

The Tigers were considerably handicapped on the dirt court. The players would slip, trip and stumble and the passing of the team did not get to functioning until late in the game. The passers could not gauge the speed of their teammates and many wild passes were tossed that went outside of the court as well as into the hands of the opposing team.

During the first of the game, Darden was the star on the offense of the Bobcats and his two field goals in rapid succession during the first period gave the Bobcats their lead which they maintained during the majority of the contest.

Schulze of Dallas, who refereed the game between the two teams here last Friday officiated during the game. The Tigers and Coach Douglas as well as many others were displeased with his exhibition of calling the game. He apparently had a hard game to conduct on the outdoor court.

Another factor which entered into this game that worked a hardship on both aggregations was the wind, that caused the ball to take crazy twists, etc.

The scorer and other officials were treated royally by the officials of Kerens high school. A special table and chairs were furnished the officials, which was much appreciated.

Prior to the game and after the game, Superintendent J. J. Hendricks of the Kerens schools stated that in the event that the Tigers defeated the Bobcats, they were staunch supporters of the Corsicana team and were expecting them to go a long way toward the championship. Clarence Horn is a former resident of Kerens and is very popular. He came in for a great deal of good-natured "razing" during the first of the game when he did not make as many scores as the fans in Kerens expected him to make.

Lineups, Positions, Field Goals.

Corsicana—Horn, forward, 4-1-2; Humphreys, forwards, 4-0-3; Green, center, 5-0-1; Morwood, guard, 0-1-2; Medlin, guard, 0-0-1; Crowley, guard, 0-0-0. Kerens—Darden, forward, 2-1-1; Majors, forward, 0-0-3; Jackson, forward, 0-0-0; Medlin, center, 2-1-3; Whitley, guard, 0-0-1; Tyner, guard, 0-1-2 and one technical foul.

BODY WOMAN WHO DIED HERE SHIPPED TO PARIS, TENN.

The body of Mrs. F. B. Johnson, aged 36 years who died at her home, 612 South Fourteenth street at 1:10 Tuesday afternoon, was shipped Wednesday morning to Paris, Tenn., for interment.

The deceased is survived by her husband and father who resides at Paris. Mr. and Mrs. Johnson had resided in Corsicana only two months. Mr. Johnson was a barber.

J. J. Todd was here from Tyler Wednesday.

Ed J. Drake of Houston was here today.

E. S. Jeffrey of Dallas was in Corsicana Wednesday.

O. F. Jordan, Jr., was here today from Fort Worth.

Rose oil test is being drilled, most activity is reported. The Rose test is now down to 3,840 feet.

T. B. Patterson and others have leased about 6,000 acres west of

TEXAN IS NAMED HEAD A. P. I. MEET IN LOS ANGELES

W. S. FARISH OF HOUSTON, PRESIDENT OF HUMBLE, SUCCEEDS PEW

Los Angeles, Jan. 21.—W. S. Farish of Houston, president of the Humble Oil & Refining Company, has been named as the next president of the American Petroleum Institute. J. Edgar Pew of Dallas, incumbent, declined re-election to the office.

The two Texans are the second and third presidents of the institute, Thomas A. O'Donnell of California, who retired at the 1924 annual meeting in Fort Worth, having been president since its inception.

Charles Evans Hughes will be retained by the board of directors of the American Petroleum Institute to represent the institute in matters before the Federal Oil Conservation Board, it was announced by the directors in their meeting here Wednesday.

At today's meeting of the institute's board of directors, H. J. Halle, president of the Universal Oil Products Company of Chicago, in which J. Ordeur Armour is interested, presented an offer of a donation of \$250,000 to the institute for research work.

This is the second large donation for this purpose within a year. In 1925 John D. Rockefeller augmented the research fund with a gift of \$500,000.

A supply of gasoline adequate to meet the demand of slowly improving traffic and at a price not far removed from that of today for many years to come, is in prospect. A. L. Clayton, chief engineer of gas engine research of the Sun Oil Company, told the sixth annual convention of the American Petroleum Institute here.

He said that assumption that the price of gasoline is bound to increase is probably an erroneous view, basing his analysis on the scientific phase of the industry and the probabilities of learning to convert a higher proportion of crude oil into motor fuel.

"The oil industry, he said, is now ready for high compression engines and the next move in improving the efficiency of automobiles is up to the automotive industry."

"The cost of operating motor vehicles of all kinds can be, and undoubtedly will be, much reduced," Clayton said. "This reduction will be effected not by any one great change, but by a multiplicity of small improvements and a better thermal efficiency in the engine is one of the items."

"There is enough anti-knock gasoline being made today to take care of the requirements of hundreds of thousands of high compression cars."

"Reading the published statements of automobile engineers and hearing them talk, the impression gained is that their industry is waiting until an ideal fuel is available everywhere, and when this happy day arrives they would then proceed to build engines to take advantage of the new possibilities."

"The petroleum industry has taken the first step and is all set to make rapid forward strides. It is time that the other partner began to assume his share of the burden."

"Ah! Animal Cookies!"

HOME-MADE, crisp and brown and crunchy—how the children love them!

You can get four animal cutters—goose, lamb, cat and bunny—for just what it costs to pack and mail them—only fifteen cents. With them, we will also send a Davis Cook Book.

Animal cookies are examples of the many tempting things you can make with Davis Baking Powder. Baking comes out right every time with Davis—it makes baking lighter, finer in texture and more easily digested. Biscuits feathery light, cakes and cookies so palatable and pleasing. And in addition, it costs you less and you use no more than of any other high-grade baking powder.

Bake it BEST with **DAVIS BAKING POWDER**

LEASING BRINGING GOOD PRICES WEST OIL PRODUCING AREA

TRANSCONTINENTAL WILL DRILL WELL ON RHODA ECHOLS FARM

Special to the Sun.

Mexia, Texas, Jan. 21.—Leases and royalty in the district immediately west of the old producing area of the Mexia oil field are skyrocketing since the recent announcement that the Transcontinental Oil Company has made a location on the Rhoda Echols farm in what is called the Nigger Creek sector. This is to be a Woodbine test. Leases held by major operators in the district cover more than 4,000 acres. These are held by the Transcontinental, Pure Oil, Refiner, Foster, E. L. Smith Oil Company

and others. Royalty has been going of late as high as \$250 per acre.

With this wildcatting westward a few miles, southeast of town Hunt Brothers of Mexia are drilling on the Cleaver in the Groesbeck territory. The district in which they are drilling at around 400 feet is along a structure which several companies have sought to lease up in recent years. All major companies and others have their eyes on it as the best looking Balcones fault test now being made.

Mike Corey is drilling a shallow test on the old Munger Gin lot in Wortham.

W. P. Laughter, Deputy Oil and Gas Supervisor for this district left Tuesday for East Texas counties within his district, in connection with his official duties.

The Magnolia Petroleum Company is drilling deeper, below 2970 feet on its Williams test, which caused some excitement the latter part of last week.

W. L. Webster was here today from Dallas.

L. V. Scott was here Wednesday from Waco.

MUCH INTEREST IS BEING TAKEN SCHOOL WORK AT RICHLAND

Special to the Sun.

Richland, Texas, Jan. 21.—The Parent-Teachers meeting had a large attendance and a very interesting program on Tuesday evening last. Much interest is being taken in, endeavoring to improve our home town and schools, especially by the devoted mothers who have had the experience of sending their loved ones away to other towns to finish their course. After several good talks and suggestions a lovely plate lunch was served which was very much enjoyed by all.

Allyn Gordon Jr., one of Richland's most brilliant and promising young men, who was exempt in his mid-term examinations in San Marcos, has gone with the Frank Reedy touring party of Dallas for a visit to the City of Mexico and other points of interest. Cards received from him enroute state he is having a wonderful time. Allyn has been secretary of the M. E. Sunday School for quite a while. He takes great interest in his work. We all are justly proud of Allyn, who is so young in years, small in stature and broad in mind.

Born to Mr. and Mrs. Ray McNeal, a fine handsome boy at 4 o'clock Monday morning. Both mother and baby doing nicely at the home of Mr. and Mrs. W. T. Sewell, their mother and grandmother.

Mr. and Mrs. L. A. McCord entertained the stewards and trustees and wives of the M. E. church in their hospitable home on Monday afternoon. After an enthusiastic business session various amusing games were indulged in after which a lovely refreshment party was served by the hostess a pleasant aftermath to the enjoyable occasion.

Mr. Elbert Farmer had the misfortune of having his car burned, which was a total loss as he carried no insurance.

Mrs. A. C. Harris Jr. of Streetman and W. D. Brown of Wortham are visiting Mrs. L. A. McCord. Mr. and Mrs. V. A. Hilton of Dallas spent the week end with Mr. and Mrs. H. R. Womack.

Mr. and Mrs. A. R. Tiner of Wortham are spending the week end with Mr. and Mrs. L. A. McCord. Mr. and Mrs. W. J. Foust of Currie visited Mr. and Mrs. J. W. Cunningham on Sunday last.

Eugene Fluker who is taking a business course at the Metropolitan Business College in Dallas, is spending the week-end with his parents Mr. and Mrs. B. M. Fluker of this city.

Messrs. Bishop Coleman, Walter Pierce, Ernest Allen, Clint Bounds and Earl McDaniels have returned from a hunting expedition on Walker Lake.

Mr. and Mrs. J. H. Tuley are visiting relatives in Dallas. Mrs. R. E. Byrd is on the sick list this week.

The many friends of Mr. W. R. Womack are glad to see him on the streets again after his serious auto accident.

Mr. B. M. Fluker has a handsome skating rink now under construction. The children are all eagerly awaiting its completion, after which they will get some exercise and lots of bumps and falls.

T. O. Loftin & Bro. have installed a new shoe repair shop.

Mr. and Mrs. Buydell Foust of Currie visited Mrs. J. A. Cunningham on Monday last.

Little Miss Evelyn Gregory is on the sick list this week.

The many friends of Dr. J. C. Edgar will be sorry to learn of his continued illness, all are hoping for him a speedy recovery.

The many friends of Mr. C. Healer will be sorry to learn of his serious illness. His recovery is doubtful.

The Baptist Ladies W. M. U. met in their regular Monday afternoon meeting with a large attendance. After all business was transacted and the program for the afternoon was over a beautiful chain of earnest and sympathetic prayers were offered to the Divine Healer above for the recovery of their brother in the church, Mr. C. Healer.

Mr. Bog Clear, a prominent contractor, and Miss Myrtle Madewell surprised their many friends by getting married at the M. E. parsonage on Sunday afternoon last. They are at home to their many friends at Hotel Parker.

Mrs. Dr. H. J. Eggar was the guest of Mrs. Kate Parker on Wednesday last.

The many friends of Mrs. W. O. Boatman, wife of the M. E. minister, will be glad she is convalescing nicely after undergoing a serious operation in the King's Daughters hospital in Temple. The following card of thanks was received by the M. E. Missionary ladies from Mrs. Boatman: "To the president and members of the Woman's Missionary Society: I want to take this opportunity to express my sincere love and thanks to each one who was so kind and thoughtful of me during my stay in the hospital. The letters and cards full of good cheer and sympathy meant more to me than I can ever hope to express. May God richly bless each one of you and make your life always as great a blessing to others. I miss you dear people so much and my prayer is to soon be well and strong that I may be able to be back among you all soon. Yours in Christ, Mrs. Boatman."

Callicutt & Upchurch announce the removal of their offices to fifth floor State National Bank Bldg.

Corporation Court. Four charges of intoxication with an added charge of breaking glass in the street made against one of the drunks. One charge of leaving the motor of an automobile running was before the court. Another charge was that of indecent conduct.

HEARINGS OPENED THURSDAY CUMMINS CONSOLIDATION BILL

IOWA SENATOR SAYS GREAT
ECONOMIES WILL BE
BROUGHT ABOUT

By Associated Press.
Washington, Jan. 21.—Hearings on the Cummins bill for the consolidation of the nation's railroads into a limited number of great competitive systems were opened today before the senate interstate commerce committee.
Senator Cummins, Republican of Iowa, declared the railroads could not be operated under private ownership with rates as low as ought to prevail without comprehensive consolidation.
Such consolidations, he said, would result in tremendous economies.

Walthall Visited State Home Today

R. B. Walthall, member of the State Board of Control, visited the State Home today on an official inspection of State eleemosynary institutions. He stopped off here as a part of his tour that carries him to practically every state supported institution.

No Barbers Get Doses.
By Associated Press.
London, Jan. 21.—Among the millions receiving unemployment doles are no barbers, since English women are spending \$100,000,000 or more annually on shingling and bobbing.

Kerens Local News.

BIG RUBBER MAN SAILS FAR EAST SEEKING SUPPLY

By Associated Press.
Seattle, Wash., Jan. 21.—Raw rubber can be produced at not more than twenty cents per pound in Liberia, in the opinion of H. S. Firestone, president of the Firestone Tire and Rubber Company of Akron, Ohio, who sailed from Seattle Friday for the Far East.
Present rubber prices range as high as \$1.00 per pound.
It can readily be seen that the British interests make from 400 to 500 per cent profit," Firestone said.

WOLF BRAND CHILI HAS SPECIAL DAY AT ADVERTISING CLUB

LYMAN'S PURE FOOD PRODUCTS COMPANY FEATURED
SESSION THURSDAY

The regular luncheon-meeting of the Corsicana Advertising Club Thursday at 12:30 o'clock at the Navarro Hotel was featured by a program dealing with Wolfe Brand Chili, manufactured and distributed by the Lyman's Pure Food Products Company of Corsicana. F. C. T. Slauson of the company had charge of the program. There were a number of visitors present at the meeting today. Each present was presented with a can of chili and there was a contest staged among those present guessing the number of cans of chili manufactured during 1925 and also the amount of pepper used. Prizes of a number of cans were awarded the winners. J. A. Echols won first prize and J. A. Sowell and Guy Bunch won second and third prizes on the contest of the amount of chili manufactured. In the contest for the amount of pepper used, Jesse M. Sewell, Gabe Goldberg and Miss Mary A. Ferguson were winners. The number of cans of chili made here during 1925 were 460,000.

The invocation was given by J. T. Newsom.

The program committee next week will be composed of Jim B. Robinson and Billy Stokes.

The club voted to accept the invitation of the Lions Club next Tuesday at the joint meeting of the various clubs to hear the address by Charles H. Mills dealing with his recent extensive tour of Europe and the Holy Land.

Among those visitors present at the club Thursday were W. E. Rankin, Dallas; Joel C. Trimble, Mrs. E. P. Zinke, Ed Vagt, vepany, sent Parker-Brauner Company, Washington, D. C.; L. D. Papa, vice president, Consolidated Wafer Company, Dallas; H. R. Crumbley, Lion; Jesse M. Sewell.

Mrs. E. P. Zinke favored the club with two songs, "Let Me Call You Sweetheart," and "Carry Me Back to Ole Virginia." Joel C. Trimble was accompanist.

Mr. Slauson gave a detailed address concerning the history, manufacture and other interesting features about the industry that he represents.

He stated that chili was not a real Mexican dish, as is generally understood, but that chili is a combination of the old Mexican chili and the Irish stew and had its beginning along the Mexican border. He stated that the name 'chili' came from the name 'hot chili pepper,' which is grown in Mexico.

Mr. Slauson said that the canning of chili in Texas was less than thirty years old, but during 1925 the chili manufactured amounted to more than \$3,000,000.

The speaker declared that canned chili was much better than other types and was more satisfactory as the canned chili was subjected to 250 degrees of heat, more than enough to kill any known germ. He stated that canned chili was like any other canned food; in that if the ends of the cans were not puffed out, the food therein was all right.

He declared that the Lyman's Chili was manufactured from thirteen spices, meats, grease, chili pepper, garlic, paprika, oregano and other materials. He stated that the local company bought their pepper already ground and it was raised on the mountain slopes of Mexico near Southern California.

Speaking of the business of the local plant during 1925, Mr. Slauson made the statement that three times as much business was done in 1925 than in 1924. He was loud in the praise of the support given this Corsicana product in Corsicana. The territory of the Lyman's Wolfe Brand Chili reaches to Gainesville, Longview, Waco, Marlin and below Mexico.

Mr. Papa gave a reading at the close of the regular program.

H. W. Jacey was here today from Dallas.

W. H. Addison of Fort Worth was in Corsicana today.

C. E. Gooch was here today from Waco.

D. M. Hammett of Tulsa, Okla., was in town today.

R. B. Stout of Dallas was in town Wednesday.

Ollie D. Pruitt of Waco was in town Wednesday.

Mrs. E. L. Sato was here Wednesday from Dallas.

MARINE POLICE CAPTURED VALUABLE WHISKEY CARGO NEW YORK HARBOR THURS.

By Associated Press.
New York, Jan. 21.—Marine police today seized the ocean-going tug, Rescue, with a cargo of liquor said to be worth more than \$500,000 after a chase off Sandy Hook in which a half dozen shots from a one-pounder were fired.
The Rescue, which is valued at about \$250,000 was formerly owned by the Merritt Chapman Wrecking Co.
The present owner is unknown to the police.
The coast guard's launch first observed the Rescue and fired a shot. The tug put on speed and the police launch, hearing the shots, joined in the chase and fired several hundred rounds from machine guns, but the tug was not struck.
In the meantime the Rescue extinguished its running lights, boldly entered the harbor and went to the slip at Jefferson street.
Before the bluecoats could reach her the Rescue's seacocks had been opened and most of the crew had fled.
Four men who remained aboard surrendered.
Police men dove into the water in the hold and closed the seacocks. Coast guard officials said the craft had on board over 25,000 cases of assorted wines and liquors.

REMEDY FOR PROBLEMS OF FARMER LIES IN HANDS OF COUNTRY BANKER, STATED

By Associated Press.
Dallas, Texas, Jan. 21.—The remedy for the farmer's problem lies in the hands of the country banker, W. D. Davis of Ennis, president of the Texas-Farm Bureau Federation, told delegates at the opening of the federation's annual convention here today.
Declaring he was not an alarmist, he said nevertheless he believed the farmers have the possibility of a perilous time ahead.

By Associated Press.
Dallas, Texas, Jan. 21.—President T. O. Walton of A. & M. College criticized Texas agriculture as being a "one-sided business," and charged that Texas farmers were robbing themselves and their soil, in an address before the Texas Hardware and Implement Association convention here Wednesday.
Failure of farmers to balance their crops and their traditional policy of planting only cotton was compared by the speaker with a hardware dealer who should refuse to

carry anything but castiron stoves and wagon axles.

"I hope the time will never come when the sale of commercial fertilizer will become profitable in Texas," he said. "Commercial fertilizer means that the farmer has let his land go to waste, that he has worn it out."

At present this state does not spend much on commercial fertilizer as compared with some other states. Only 6.2 per cent of Texas farmers buy fertilizer. But the time is certainly coming, unless we do something, when we shall be in the position of South Carolina, where 90 per cent of the farmers buy fertilizer, and of Georgia, where 88 per cent are forced to the same procedure.
"In 1920 Texas farmers spent \$1,000,000 for fertilizer. South Carolina farmers in the same year spent \$48,000,000 and Georgia farmers \$52,000,000."

Turning from this, President Walton severely criticized the custom of buying feedstuffs out of the state.

SORROWING PARENTS TAKING DAUGHTER, WIFE OF CHICAGO KILLER, BACK VILLAGE HOME

By Associated Press.
Chicago, Jan. 21.—Bert Sullivan, village blacksmith of Cornell, Ill., and Minnie, his wife startled and sorrowed by the turn of events which disclosed their daughter Irma, eighteen-year-old blond, as the wife of Martin Durkin, were here today to take her back home.
They had suspected that all was not well when the girl eloped with a handsome stranger, but they thought he was a bond salesman named Conley.

By Associated Press.
St. Louis, Jan. 21.—Trailed three months by department of justice agents, one of whose number he had slain, Martin J. Durkin, 26, notorious Chicago criminal, was captured here Wednesday.

The much-sought slayer, described in police circulars as "very dangerous and quick to draw," fell into a trap prepared by department agents, city detectives and railroad employees and was overpowered in the drawing room of the Frisco-Katy train upon arrival at Webster Groves, a suburb, from San Antonio.

A revolver, an automatic pistol and a belt of cartridges were lying on a card table in the drawing room.

FORMER STATE HIGHWAY ENGINEER WAS WITNESS IN HOFFMAN CONSTRUCTION CASE

By Associated Press.
Austin, Texas, Jan. 21.—Specifications under which the Hoffman highway surfacing contracts were let are not standard and are different from those under which contracts were let during the past several years by the Highway Commission, R. J. Hank, former state highway engineer, testified today in the trial of the state against the construction company.

Austin, Texas, Jan. 21.—Thirty cents a square yard was an unreasonable price to pay the Hoffman Construction Co., for asphalt surfacing, and had been consulted he would have so told the highway commissioners, R. J. Hank, former state highway engineer, testified Wednesday in the state's \$321,000 suit against the Hoffman Construction Co. He said 18 or 20 cents would have been fair, if a 2-course treatment was required and that 10 or 11 cents a square yard would have been equitable for a single course treatment. The state contends the contract imposed only a single course treatment

of half a gallon to the square yard, while the defense contends the state could have required a 2-course treatment over the 600 miles named in contract.

From May 1, 1925, until Jan. 15, 1926, Mr. Hank was state highway engineer. He resigned at request of the highway commission headed by Chairman Hal Moseley.

Slauson Goes to Attend Conventions

Frederick C. T. Slauson will leave tonight for Louisville, Kentucky, where he goes to attend the sessions of the National Canner Association and the National Food Brokers Association, in joint convention. The conventions are in session from January 25 to January 30. Mr. Slauson goes as a representative from the Lyman's Pure Food Products Company of Corsicana, makers of the famous Wolfe Brand Chili.

AGED RESIDENT OF DAWSON COMMUNITY PASSED AWAY FRIDAY

Special to the Sun.
Dawson, Texas, Jan. 21.—Mr. C. W. Akers, a long-time resident of Dawson, died at the home of his son, C. O. Akers, Friday morning at 3 o'clock. Mr. Akers had a paralytic stroke in the P. O. Akers dry goods store the latter part of December and at that time was taken to the home of his son where he was confined to his bed until his death. Mr. Akers was 71 years old and active up until the time of his fatal illness. He is survived by ten children, Messrs. C. O., R. M., Houston and Jeff Akers, Mesdames Nila Brown, Jimmie Cook, Ruby Davis, Gladney Flint, Misses Frances and Vivian Akers.

As a birthday surprise for her husband, Mrs. J. L. McCulloch entertained on Tuesday evening with four tables of forty-two. The men presented Mr. McCulloch with a Parker Duofold fountain pen. After all guests had arrived the men were presented with talley cards, on the back of which was a verse describing their partner for the evening. At a late hour the hostess served a tempting plate consisting of chicken salad, crackers, fruit-cake and hot chocolate. Those present were Messrs. J. F. Smith, James E. B. Dawson, J. F. Smith, D. E. McKinney, W. E. Anderson, C. J. Loveless, J. H. Slaughter, Miss Lillie Patterson and Edgar Davis.

Mr. and Mrs. Daniel G. Sims of

HEALTH CONDITIONS IMPROVED AT BARRY; HEAVY RAIN FALLS

Special to the Sun.
Barry, Texas, Jan. 21.—The health of this community is much improved since last writing. We are having such pleasant weather since the big rain last week end. No need to complain of scarcity of water or lack of season now since we have had both.

Mrs. Bourland who has been visiting relatives in Rule, returned Tuesday evening.

Mr. and Mrs. Loyd Simpson made a flying trip to Whitney Tuesday. Mrs. Ida Taylor has gone to Hillsboro today to visit her son, Sam.

R. W. Varnell, who spent last week in Dallas attending Federal court, returned Friday evening.

Miss Avora Hammon was shopping in Corsicana Saturday. A. T. Watson and W. T. Woodruff had business in Corsicana Saturday.

H. B. Prather of Dallas was in our midst Saturday and Sunday. Willie Bell went to Dallas Monday for treatment.

Mr. and Mrs. J. W. Varnell and children were visitors in Barry Tuesday evening.

Varden Boswell of Blooming Grove was visiting relatives in this community Saturday and Sunday.

Miss Lawson, the new county demonstration agent, was in our community Friday, making plans for the year's work.

Mrs. R. W. Varnell and boys made a trip to county site Saturday.

W. O. Russell had business in Corsicana Tuesday.

Miss Ballant Thomas was shopping in Corsicana Saturday.

Floyd Varnell of Waxahatche was on our streets Friday evening, shaking hands with friends.

Mr. and Mrs. Morgan were visitors in Corsicana Friday.

Mrs. Ed Varnell and son, Jack, were driving in the country Tuesday evening.

Vest Ekins, Leroy Watson and Curtis Woodruff were Corsicana visitors Sunday.

Dallas were in the city from Thursday to Tuesday.

J. M. Tanner went to Malakoff Monday to be gone several days.

Mr. and Mrs. T. M. Key moved to Furdon the latter part of last week where they recently purchased a dry goods store.

A. M. Jarvis was a Waco visitor Tuesday.

EMHOUSE VISITED BY HEAVY RAIN ON SATURDAY NIGHT

Special to the Sun.
Emhouse, Texas, Jan. 21.—This community was not slightly by the heavy rain which came Saturday afternoon and night. We had an unusually heavy downpour Saturday night; farmers will find a good season in the ground for planting, plowing, etc.

This week is the beginning of the spring term of school; examinations were given last week and both teachers and students are glad to find themselves at the halfway mark of the year.

H. M. Hilliard has gone to Abilene where he will assist J. I. Ferguson in the erection of a new dwelling for his son, Terrell Ferguson, of that place.

John Allen and family are moving back this week from Grayson county. Mr. Allen is not yet permanently located, but will be in Emhouse for the present.

Mesdames J. M. and J. N. Parrish were Corsicana visitors Tuesday night. They attended the regular weekly meeting of the Eastern Star.

Mr. and Mrs. Clay De Rumba of the Cryer Creek community, were here Tuesday, visiting Mr. and Mrs. Jim Dixon.

Mrs. E. M. Dixon is on the sick list this week.

News was received here last Friday that John Stewart, who now lives near Elkhart, was seriously ill. Bill Stewart and his sister, Mrs. E. Melton, left at once to be at his bedside.

Mrs. G. G. Owen came home Monday from her sister's, Mrs. Boyd, where she has been spending a few days.

Little Bertha Mae Ray is feeling much better this week, a fact her friends will indeed be glad to know.

Funeral services were held here last Friday at noon for Mrs. Buck Williams, known to her many friends as "Grandma" Williams. She died Wednesday night at the home of her daughter, Mrs. Will Davis at Fort Worth. She is survived by four sons and two daughters, C. O. Williams and W. H. Williams of this community, R. F. Williams of Amarillo, and Theodore Williams of Oklahoma, Mrs. Will Davis of Fort Worth, and Mrs. John Allen of this city. Funeral services were followed with burial in the Patterson cemetery.

The Christian Endeavor will present the play, "All a Mistake," Friday night at the high school auditorium.

R. F. Williams was here Friday from Amarillo to attend the funeral of his mother.

Walter Johnson, wife and baby were at home last week end, returning Sunday to Fort Worth to continue Mr. Johnson's treatments for rheumatism.

LOST WORLD WILL BE SHOWN IDEAL STARTING MONDAY

For one of the first times in film history two separate companies were necessary to work on the same picture at the same time in the same studio. The double system was used during the filming of "The Lost World," a super-feature adaptation of Conan Doyle's celebrated novel, made jointly by First National and Waterson R. Rothacker, which is showing Monday at the Ideal Theatre.

The cast was so big and the production so immense, it would have taken a whole year to make the film under a single director.

In the cast are seventeen principals and 2,000 players of lesser importance. Twelve photographers were used on the cameras.

Some idea of the vastness of the undertaking can be gathered from the fact that more than six years of experiment and planning were necessary before the actual filming of the story could be begun.

The Essence of Daintiness—that is what you find in our menu and in the serving. We don't do anything unless we can do it right. That is our policy, and we stick to it. Spend a Happy Hour.

WANT COMMERCIAL AVIATION AIDED BY NEW LEGISLATION

CHAMBER OF COMMERCE OF UNITED STATES BACKING MOVEMENT

The attention of the members of the Corsicana Chamber of Commerce was called today to the need for prompt passage of Federal legislation to regulate, encourage and promote commercial aviation. A communication from the Chamber of Commerce of the United States at Washington said such legislation should aim to promote the establishment of the facilities and auxiliary services necessary to the development of this new system of transportation.

The National Chamber's attitude toward aeronautic legislation, it is explained, is based on a resolution adopted at the Chamber's twelfth annual meeting, which reads as follows:

"The development of aeronautics in the United States is of growing importance for the transportation of valuable commercial commodities, for business mail, for engineering purposes and scientific investigations for patrol of forest reserves against the constant menace of fire, and for the national defense. With a view to furthering aeronautic development, we favor the prompt adoption of legislation now pending for the regulation and encouragement of aeronautics, including the creation of a bureau of Civil Aeronautics in the Department of Commerce, and we ask the enactment of suitable legislation for the permanent establishment of an adequate air mail service between the larger cities of the country."

It is pointed out by the National Chamber that "laws have been enacted by a few municipal and state governments with a view to controlling the flight of aircraft within their jurisdiction. While in some instances an attempt has been made to follow a uniform basis in these laws and regulations others differ materially in their provisions. Uniformity will be promoted through a federal law to govern interstate air navigation and thus help to avoid the confusion resulting from varying state enactments."

The communication explains that the National Chamber with the cooperation of local commercial organizations has made a study of the commercial possibilities of aeronautics in various parts of the

country. "This study," the letter states, "shows an increased interest in this new form of transportation and brings out the opinion that in many localities commercial conditions are conducive to the successful operation of commercial air lines."

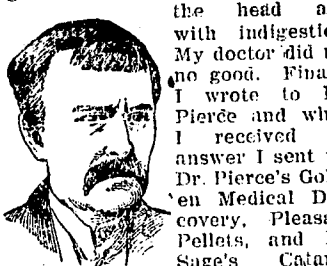

"Air transportation," the letter goes on to say, "can readily, and to a large degree, be co-ordinated with the present forms of transportation, including railroad, express, interurban electric, motor bus and truck facilities for the collection and distribution of goods in territory surrounding air terminals. The present indications are that these facilities can be utilized to advantage over a radius of 20 to 300 miles, depending on the locality."

"An increasing number of landing fields are being established by municipalities along the air lanes, as the cost of providing these fields would generally be too great for a commercial air line to undertake, and it would be practically impossible to limit their use to the owners in case they were privately established. Indiana, Kansas, Pennsylvania and Wisconsin have passed laws authorizing municipalities to acquire and maintain landing fields."

"An important feature of proposed legislation which would aid in the development of air navigation is the development of air navigation aids to aircraft similar to aids for vessels at sea and including aerial lightning and signal stations, meteorological services and radio facilities."

IS IT CATARRH?

Oden, Ark.—"About four years ago I was troubled with catarrh in the head and with indigestion. My doctor did me no good. Finally I wrote to Dr. Pierce and when I received an answer I sent for Dr. Pierce's Golden Medical Discovery, Pleasant Pellets, and Dr. Sage's Catarrh Remedy, also a Nasal Irrigator. I commenced to doctor myself and had good success. I'm sure I would not have been living if I hadn't obtained relief. I am 64 years of age. I tell every one who has catarrh to consult Dr. Pierce, as he surely helped me."—J. W. Ledbetter. All dealers.

EFFORT MADE TO GAIN DOMINATION OVER STATE BOARD

By Associated Press.
Austin, Texas, Jan. 20.—Behind the dealings of the Hoffman Construction Company with the State Highway Commission was a well conceived plan to gain domination over the Highway Department, Attorney General Moody today told the jury in the state's \$421,000 highway suit against the company.

The precedent for this scheme, which they attempted to foist on the people of Texas existed in New Mexico, where G. A. Davisson, president of the company, had made contributions to political campaigns, he said.

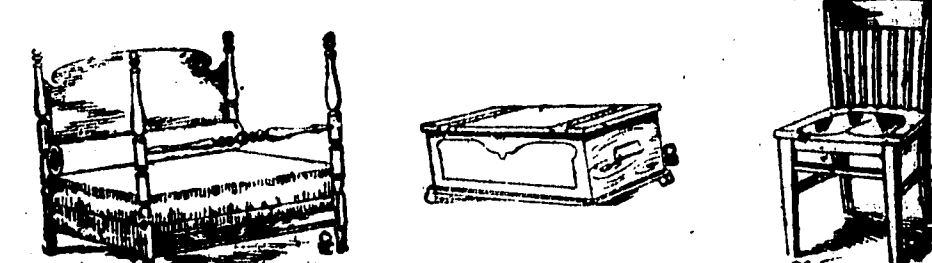

By Associated Press.
Austin, Texas, Jan. 20.—"The state was victor today in a heated legal tilt precipitated when attorneys for the Hoffman Construction Company argued that their clients should not be forced to answer to state's second amended petition filed December 16th."

Judge Calhoun ruled that the filing of the plea of privilege constituted a general appearance and that they must answer the allegations in the amended petition.

A bill of exception to the ruling was entered by the defendants.

In Memory of Grandma.

On Thursday, Nov. 5, 1925, the death angel visited our home and claimed from us our darling grandmother, Martha Miranda Gilmore. Grandma was born June 28, 1854, in Georgia. Came to Texas about 1876, settling in Freestone county. Moved to Navarro county in 1878, where she lived until her death. She was married to J. F. Singleton June 21, 1865. To this union six children were born, and four still survive her: H. T. and Ben Singleton, Mrs. Minnie Harrison, Mrs. Jennie Martin, one step-daughter, Mrs. Mary Land, all of Eureka, Texas. Twenty-seven grandchildren, seven great-grandchildren and a host of friends and relatives.

She was converted somewhere in her teens, joined the Missionary Baptist church and lived a consistent member until death. It was hard, so hard, to give grandma up. How we will miss her smiling face and tender hands to one will know but those who have lost a loving mother and grandmother, for grandma was so good and kind, and when we had

heartache and troubles she always spoke a kind word.

Vacant is the house, lonely is the place since Grandma went away. Through all pain at times she'd smile a smile of heavenly birth, and when the angels called her home she smiled farewell to earth. Heaven retaineth now our treasure, earth the lonely casket keeper; and the sunbeam loves to linger where our darling grandmother sleeps.

Earth has lost its look of gladness. Heaven seems to us more bright, since the spirit of our dear one took their happy, homeward flight, and we long to cross that river, long to rest upon that shore there to see and know and love them with the Savior evermore.

Grandma was peacefully laid to rest in the Providence cemetery where many sweet flowers were placed upon the grave by friends and loved ones. The funeral service was conducted by her pastor, Rev. W. T. Bratton. The pallbearers were: the grandsons, Messrs. Mollum Harrison, Brack Land, Jr., Emmett Rush, Eddie Land, John Singleton and Loyd Land.

Sleep on, dear grandmother, and take thy rest. God called thee home because He thought it best. Written by her granddaughter, Mrs. Georgia Rash.

Camphor Water For Eyes.

Nothing has the quick action of simple camphor, witchhazel, hyacinth, etc., as mixed in Lavopik eye wash. One small bottle Lavopik helps any case weak, strained or sore eyes. Aluminum eye can tree. Coulson Drug Co., Corsicana; Brown Drug Co., Richland.

Fruit Trees

And Ornamental nursery stock. Everything for the orchard and yard. Express paid. Write for catalogue now. Henderson's nursery, Athens, Texas.

Card of Thanks.

We wish to express our sincere thanks for the many kindnesses and tender care shown our dear wife and mother in her illness and death. In our great sorrow, without her it helps to know that so many were kind and attentive. C. W. Bennett and Family.

PLANS MADE FOR INTERSCHOLASTIC LEAGUE MEETING

Special to the Sun.

Mexia, Texas, Jan. 20.—Miss Ruth Bullock, teacher of the Eureka school, has been named director of declamations in the Limestone County Interscholastic League, succeeding Mrs. W. B. Landrum, resigned.

Directors of the League in meeting here have made plans for the county meet to be held in Mexia March 19 and 20. Details of arrangements of the program of events, judges, awards and entertainment were agreed upon and will be made public in a few days. All schools are urged to register at League headquarters, Austin, before February 1, in order to compete in the meet.

The executive committee this year consists of: C. A. Puckett, Mexia, director

general; John Black, Tehuacana, director of debate; Miss Ruth Bullock, Eureka, declamation; J. V. Phillips, Delta, spelling; Mrs. Warner Raseo, Forest Glade, essay writing; A. C. Strickland, Coolidge, athletics; Miss Howard Barrett, Groesbeck, music; D. M. Majors, Groesbeck, arithmetic; Mrs. Cora Ferguson, Groesbeck, rural schools

STAR PARASITE REMOVER
Given to Fowler their drinking water or feed will rid them of all blood-sucking lice, mites, fleas, blue bugs, clean them of all internal worms and parasites. It is also a wonderful poultry tonic, blood purifier, health builder, and eye producer. It contains no saltpetre, compounded scientifically with other health building ingredients. Known remedies for preventing disease. Prevention is cheaper than cure. Keep your flock free of insects and internal worms and their system in good condition through the winter and you will get good hatchings and strong chicks in the spring. A supply is free through the writer and will cost very little. Give it a trial at once. Money back if not pleased.

A. B. Walker & Son

S. H. Carter of Fort Worth was in Corsicana today.

D. P. Bailey of Dallas was here Wednesday.

A. G. Gray was here today from Dallas.

C. L. Royle of Wichita Falls was in Corsicana Wednesday.

RICE NEWS NOTES.

Special to the Sun.

Rice, Texas, Jan. 19.—Mr. and Mrs. W. T. Wilson announce the marriage of their daughter, Nellie Earle, to Mr. Odie B. Hardie of Dallas, to take place Sunday, January 24th, at the family home in Rice.

Mrs. T. W. Neal entertained last Tuesday afternoon with an announcement party for her daughter, Mae, to announce her approaching marriage to Mr. Lawrence McCarty of Corsicana, on Sunday, January 24th.

Mrs. Edd McGee of Corsicana visited Mrs. J. A. McGee and Mrs. W. D. Haynie the past week.

Dr. and Mrs. Hugh Sloan and Mrs. John Sloan visited in Dallas the past week.

Mr. and Mrs. A. C. Hervey and children visited Mrs. Hervey's brother, T. H. Haynie and family of Waxahatchie.

Jack Simpson of Corsicana spent the past Sunday here with his parents.

Mrs. Jim Mizell of Chatfield visited relatives here the past week.

Mrs. Delma Boucher and little son of Abilene have returned home after spending several weeks with

relatives at Rice and Chatfield.

Mr. M. A. Wilkes of Dawson visited his daughter Mrs. W. A. Stockard of Rice recently.

Dr. Sloan went to Athens last week in response to a professional call.

Mrs. Clarence Mahaley visited her husband in Dallas the past week, at St. Paul Sanitarium, where he is in care of a specialist.

Mrs. Ruby McCall of Farmersville, spent several days the past week with the families of J. S. and J. G. Dyer.

Mr. and Mrs. A. A. Ray and J. S. Ray of Irving and E. H. Ray of Commerce spent the latter part of the past week with Mr. and Mrs. J. J. Travis of Rice.

J. M. Bradley lost a large barn stored with feed and farming implements, on his farm near Rice recently. His son, Kestler Bradley, and his wife, who were spending the night there, lost their Ford roadster in the fire, which occurred about twelve o'clock in the night. It was of unknown origin.

G. W. Harper's home came near being destroyed by fire the past week. The blaze which was extinguished by citizens of the town, was supposed to have been caused

by sparks falling on the roof. Damage was slight, owing to early discovery of the fire.

Doing Nicely.

According to information, Miss Louise Parker, daughter of Mr. and Mrs. W. T. Parker, who was operated on for appendicitis at Waxahatchie, where she is teaching music in the public schools, is doing nicely and the operation was a success. The operation was performed several days ago. Miss Parker is very popular in Corsicana where she has many friends who will join in wishing for her an early recovery.

Card of Thanks.

It is through the columns of the Light, we wish to thank our friends and relatives for the many deeds of kindness shown us during the illness and death of our dear mother, Mrs. M. J. Davis. May God's richest blessings rest upon you all. HER CHILDREN, Purden, Texas, Jan. 19, 1926.

H. H. Gray was here today from Dallas.

R. E. Lee was here from Worth today.

FEED ECONOMY OR FALSE ECONOMY—WHICH IS IT?

Since January 1st, several hundred cars of corn, oats, maize, hay, etc., have been unloaded in Navarro County, costing the farmers several hundred thousands of dollars, all of which is a rather heavy drain on the resources of our County, as this money has gone out from us to the several states and communities from which shipments were made.

Our grain crops were poor last year, but we raised a fair cotton crop and have an abundant supply of good pime HULLS and MEAL at cheap prices than for many years past. Wonder if we are overlooking a real good feed raised right here in our own County at a much cheaper price, just because we have

always had plenty of corn, oats, hay, etc., and never gave HULLS and MEAL a test? Many farmers over the State are feeding HULLS and MEAL to all kinds of work stock to good advantage.

Suppose you try feeding HULLS and MEAL to your work stock through the winter months. It will save you considerable on your feed cost and give you just as good results.

We are still exchanging HULLS and MEAL for Cottonseed : 3200 lbs. HULLS and 700 lbs. MEAL for one ton of seed delivered our mill, or at this rate for any amount of seed you bring.

Southland HULLS and MEAL is A Feed for Every Need.

Come To See Us.
